**508 Mio. inhabitants**

Are additional security initiatives necessary for the transportation of goods within the EU?

**28 Member States**

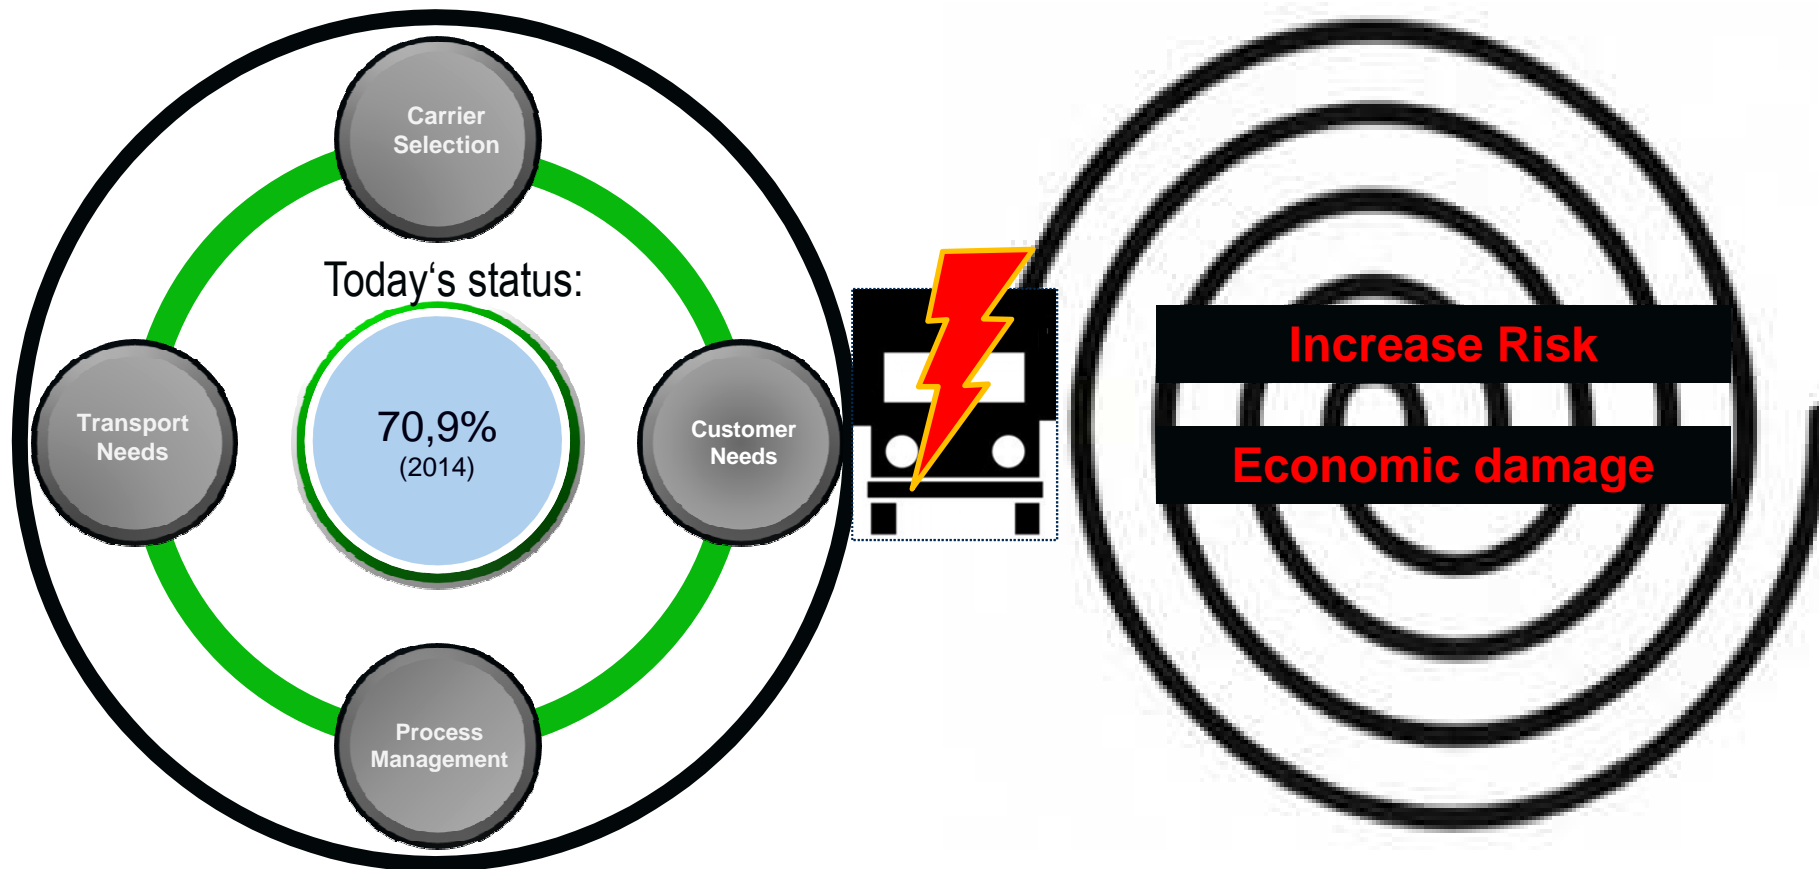

### Importance of the trucking industry

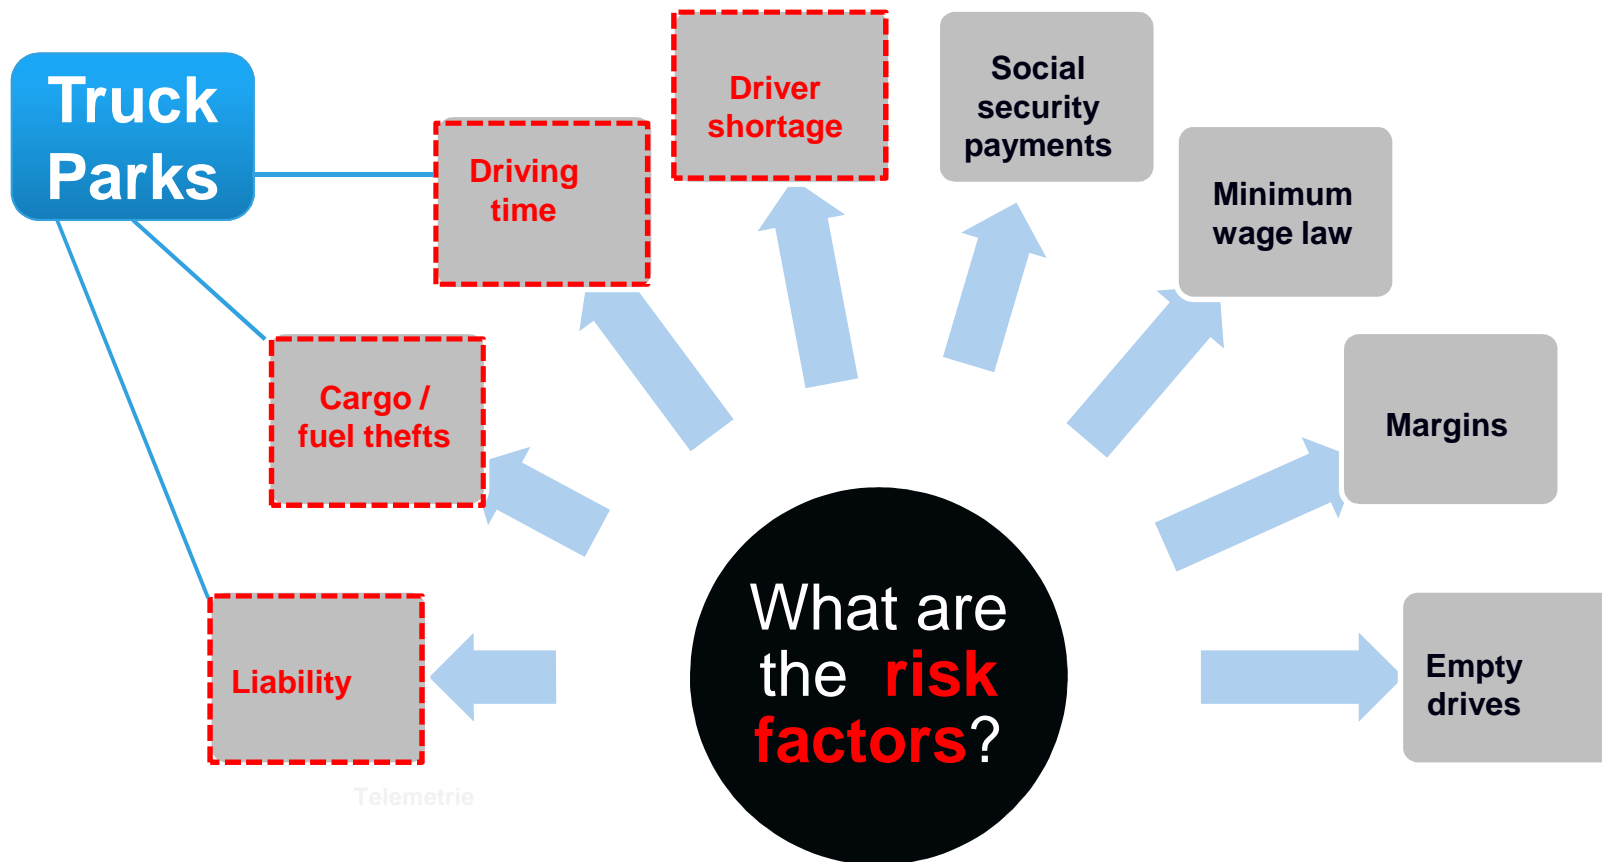

Quelle: Federal Motor Transport Authority 2015

## Circular Flow of Goods Transport

**We require stronger co-operations with service areas / truck parks**

**To value customer assets (cargo) + truck drivers**

**Realistic parking fees**

**With realistic, pragmatic “security”**

**First promising step... → Initiative with **

**Many thanks for your kind attention !**
